¹ State-funded full-time-equivalent (FTE) student enrollments for each academic term are the sum of state-funded undergraduate-level (0-499) course credit hours attempted divided by 15 and state-funded graduate-level (500+) course credit hours attempted divided by 10. Annual average state-funded FTE student enrollments are calculated by dividing the sum of state-funded term FTEs at quarter-system institutions by three and by dividing the sum of state-funded term FTEs at semester-system institutions by two. Budgeted enrollment is derived from the Legislature's authorized enrollment level, but does not include all enrollment activity.

² The figures in this column come from the 2015-17 Operating Budget Bill (ESSB 6052). This is the last time on record that these numbers were adjusted. Within the amounts appropriated in the current biennium, each institution of higher education is expected to enroll and educate at least these numbers of FTE students.

³ FTEs for these programs are included in WSU's budget and reported by the four-year institution.

⁴ Baccalaureate programs offered at all SBCTC institutions EXCEPT: Bates Technical College, Big Bend, Everett, Shoreline, and South Puget Sound colleges.

⁵ FTEs for these programs are included in the SBCTC's budget and reported by the four-year institution.

⁶ Enrollment includes all non-Running Start students, which may include students under the age of 18.
