RE: PCHEES is ready to receive 2026-27 submissions
Date: July 20, 2026

The Public Centralized Higher Education Enrollment System (PCHEES) 2026 annual data maintenance is complete. PCHEES is ready to receive data for academic year 2026-27. Updates to the system are detailed below.

1. PCHEES Data Submission Guide
    - The new version is dated July 20, 2026.
    - General text updates have been applied as needed
        - Updated data submission deadlines for the current academic year (pp 8-9).
        - Added the identifier text to collection, file, and data element titles for better visibility in the titles and better navigation in the PDF table of contents.

        - Corrected errors in Appendix B item (2) description for reporting in Admission file , p 211.
        - Updated Appendix D: Document History, p. 215.
    - Updates have been made for new campus lookup codes and values for Washington State University, p.198.
2. PCHEES User Manual
    - Updates were made to show changes to the PCHEES interface (e.g., some data set downloads have been deprecated).
3. PCHEES Web Application
    - Supporting documentation URLs were updated to point to files housed on the ERDC web site (e.g., Submission Guide, User Manual, FAQ).
4. PCHEES Database
    - Addition of codes for the "campus" variable in these data elements:
        a. Course Provider Campus ID (PCH-E0092)
        b. Student Completion Campus ID (PCH-E0094)
        c. Student Admission Campus ID (PCH-E0096)
        d. Student Primary Enrollment Campus ID (PCH-E0098)

    These codes were added for new campuses at Washington State University:
        - 81 = WSU Global Campus
        - 82 = WSU Everett Campus
        - 83 = WSU Global Campus (College of Medicine)
        - 84 = WSU Everett Campus (College of Medicine)
